Introduction

ABOUT
HERO VIRED

Hero Vired is a premium LearnTech company offering industry-relevant programs in partnership with world-class institutions to create the change-makers of tomorrow. Part of the rich legacy of the Hero Group, we aim to transform the skilling landscape in India by creating programs delivered by leading industry practitioners that help professionals and students enhance their skills and employability.

We offer programs in domains such as **Finance**, **Management**, **Gaming**, **Data Science** and **Technology**.

Our Programs in Data Science

In the era of big data, our Data Science programs equip you with the knowledge and skills to extract valuable insights from vast amounts of information. Learn cutting-edge data analytics techniques, machine learning algorithms, and statistical modeling to drive data-informed decision-making.

Student
Testimonials

TESTIMONIALS

Vivekanand Mehra

(Business Analytics and Data Science)

"

I have thoroughly enjoyed the past nine to ten months of this program. The instructors are knowledgeable and experienced, and they have a knack for tailoring their teaching approach to the needs of the students.

"

Subhash Kumar

(Data Science, Artificial Intelligence and Machine Learning)

"

The faculty at Hero Vired are a wealth of knowledge. Their deep understanding of the subject matter, combined with their ability to explain complex ideas in a simple and comprehensible manner, has been pivotal to my learning journey.

"
