TESTIMONIALS

Khushbu Kikot

(Financial Analysis, Valuation, & Risk Management)

A particular highlight for me has been the faculty. Their unwavering motivation and deep-rooted industry experience offered an enriched learning experience. The curriculum itself is a perfect amalgamation of academic rigor and practical insights, tailored to provide a comprehensive understanding of the financial landscape.

Vinit Vikmasey

(Finance and Financial Technologies)

What drew me to the program was the MIT certification and the curriculum which was holistic. The faculty members were phenomenal and this program helped me get my dream job.
